3. Accounts Payable will edit the Disbursement Request, as appropriate, and process the payment. Central Accounting will issue a check in the name of the requestor for the approved amount, and file a copy of the Disbursement Request and Travel Advance Form for later reconciliation. Supporting documentation must include Form FM-A-2A, Certification for Receipt of Meals Form, when monies were advanced for estimated meal allowances for accompanying students.

   a. If line 8.a. of the completed Travel Advance Form shows a balance due to the requestor, he or she will sign the Form and request a reimbursement for this amount. The originating department will initiate a Disbursement Request payable to the requestor and forward supporting documentation to Accounts Payable for payment processing.

      (1) Accounts Payable will edit the Disbursement Request, as needed, and process the payment upon receipt of the Travel Advance Form and supporting documentation. Central Accounting will issue a check to the requestor, and process the journal entry to clear the accounts receivable that was recorded in the amount of the cash advance issued to traveler.

   b. If line 8.b. of the completed Travel Advance Form shows an excess balance to be returned to the College by the requestor, he or she will return unused monies to the Campus Bursar and obtain a dated Miscellaneous Receipt for the amount deposited. The requestor will then indicate the receipt number and date on line 8.b., and forward the signed Travel Advance Form, original receipts for expenditures incurred by the traveler, and Miscellaneous Receipt from the Bursar to Central Accounting for processing.

      (1) Central Accounting will reconcile this documentation with the initial advance request, and process the journal entry to clear the accounts receivable that was recorded in the amount of the cash advance issued to traveler.
