The Placement Criteria document details all placement testing and related requirements for first time in college, degree-seeking students.

B. Admission Application Fees and Waivers

There is a \$30 non-refundable application fee for all new students applying to MDC, except for Dual Enrollment/Early Admission and US active duty members. For International

for Education Statistics (NCES). The list of public high schools is accessible at <http://nces.ed.gov/ccd/schoolsearch/> and the list of private high schools is at <http://nces.ed.gov/surveys/pss/privateschoolsearch/>.

6. The private high school is not listed in the Florida Department of Education's Office of Independent Education and Parental Choice. The list is accessible at <http://www.floridaschoolchoice.org/information/PrivateSchoolDirectory/Default.aspx>.
7. The high school or its course(s) is identified by the National Collegiate Athletic Association (NCAA) as not accepted for athletic eligibility. 8. Other evidence provides reason to believe that the diploma is not valid or was not earned from an entity that provides secondary school education.

Once MDC renders a decision on the validity of a high school diploma, the decision is final and not subject to appeal.

Applicants who are admissible under section II.C and transfer to MDC from other postsecondary institutions must request final, official transcripts from all of those institutions to be sent directly to MDC Office of the College Registrar. Additional requirements are as follows:

1. Students who transfer from U.S. regionally accredited postsecondary institutions(s) with fewer than 12 college-level credits earned with "C" or higher grades must submit proof of valid high school graduation as listed in Section II.C.
2. Students who transfer from U.S. non-regionally accredited postsecondary institution(s) may be admitted based on the high school graduation according to section II.C. 3. International students with a vocational credit student visa (M-1) and the supplementary admission documents indicated in II.C.7 above.

I. Recruitment of Students

1. Student recruitment promotes enrollment by presenting the learning options available at MDC. The recruitment team develops and implements activities consistent with the mission of the College. Activities include providing prospective students, parents, and other members of the community the current and accurate information regarding admission and registration, testing requirements, and program offerings, as well as other resources and related opportunities available at the College.
2. MDC refrains from unfair, deceptive and abusive marketing tactics in the recruitment of all students. In addition, MDC will refrain from using third party lead generators or marketing firms aimed at service members (veterans/military students). MDC will:
 - a. Refrain from providing any commission, bonus, or other incentive payment based directly or indirectly on securing enrollments or federal financial aid, including tuition assistance (TA) for members, to any persons or entities engaged in any student recruiting admission activities, or making decision regarding the award of student financial assistance.
 - b. Ban inducements such as gratuity, favor, discount, entertainment, hospitality, transportation, lodging, meals or other item of monetary value to any individual or entity, or its agents, including third party lead generators or marketing firms. Only salaries paid to employees or fees paid to contractors in conformity with the applicable laws are allowable for the purpose of securing

enrollments of service members (veterans/military students) or obtaining access to TA funds.

J. Other Considerations

1. Certain academic programs have additional program admission requirements. Students need to check with the respective academic department for more information.

A student who is projected to graduate from high school before the scheduled completion date of a postsecondary course may apply, register and pay the required registration, tuition, and fees provided the student meets the provisions in subsection (II)(C)(2) of this procedure.

2. Applicants who have been convicted of a felony or are the subject of an arrest pertaining to a controlled substance and who wish to apply for a program that leads to licensure should confer with the regulatory/licensing agency to determine eligibility for future credentialing and practice. Applicants who are determined to be not eligible for licensing for any reason may apply for admission to that program, but must recognize that program completion may not result in licensure or employment.
3. Miami Dade College has determined that the presence of students officially designated as Sexual Offenders/Sexual Predators on campus may be disruptive to the College's programs and/or would interfere with the rights and privileges of other students. In accordance with Section 1001.64(8) (a), Florida Statutes, the College may consider the past actions of any person applying for admission or enrollment and may deny admission or enrollment because of misconduct if determined to be in the best interest of the College. Therefore, MDC reserves the right to deny admission/enrollment to students who are officially designated as Sexual Offender/Sexual Predators.
4. MDC reserves the right to deny admission to applicants who have been incarcerated, convicted of a felony, experienced disciplinary problems at another educational institution, or who may pose a threat to the life and/or safety of its students, faculty, staff, community, or guests, as determined by the College administration. In accordance with Section 1001.64(8) (a), Florida Statutes, the College may consider the past actions of any person applying for admission or enrollment and may deny admission or enrollment because of misconduct if determined to be in the best interest of the College.
5. For cases that require additional validation as described in section II.D, this procedure is applicable to all students applying for admission on or after the revision date of November 8, 2011, regardless of the issue date of the high school diploma.
