WHAT IS THE FALL 2021 FLORIDA COLLEGE SYSTEM SCHOLARSHIP PROGRAM?

Due to the generous donations from the Florida College System, Miami Dade is excited to offer Class of 2021 students the opportunity to participate in the Fall 2021 Florida College System Scholarship Program. The program is designed to help incoming freshmen seamlessly transition to college by providing a strong academic foundation, individualized advisement, and a supportive learning environment.

For the Fall 2021 term, the program will cover the following:

- A maximum of 13 college credits*
- In-state tuition
- Holistic Support Services
- Loaner laptops if needed

*If the in-state portion of a student's tuition is paid for by other scholarships and/or Financial Aid, the remaining funds will be awarded to students to help cover living expenses.

For more information, please contact one of our [New Student Center locations](#)
